Pastor's Page... Love One Another

BY PASTOR PATRICIA

It's been warm but wet so far this winter, but we know the coldest days are ahead of us. We stress about heating bills and snowy roads, but all of us have someplace to dry off and warm up. Right now, a record number of folks have no such place. Shelters are operating way over capacity. Since this fall, Maynard has been involved in planning ways to reach folks in need this winter.

Love One Another Missions (LOAM) is the name of the mission group that some members of this church started together with others to reach out to people in homeless encampments. They wanted to do more than feel sorry for those on the side of the road, or who made it to the church doors. They wanted to get to those people who are out in the cold, in the woods and thickets, living in tents or makeshift shelters; those people no one sees: they wanted to see and touch with grace.

Now there are folks from several churches working together to help those who "live on the land." They give supplies and counsel, but also get inspired. They offer what will keep folks who live outside warmer and dryer, but mostly give, and receive friendship. A few made it through our doors for Thanksgiving service and dinner. Everyone feels the love of God these missionaries bring with them.

As a congregation, Maynard has committed to helping out with sites

devoted to women without shelter this winter.

The week of February 19 to 25 we are providing evening and morning hosts for an overflow shelter for homeless women at St. Stephen's Community Center on the east side. St. Stephens has provided steady support to folks in the East 17th Street area for many years, but this is the first time that need has been there to create a winter shelter.

We need to provide evening and morning hosts. Hosts need to plan to be at the center from 8 to 10 p.m. to help the women get settled for the night. Morning hosts need to be there from 5 to 6 a.m. to help the women get ready to

January-February 2012

Christmas choir Sunday is one of the most special Sundays of the year for me at Maynard Church. And Christmas choir Sunday 2011 was no different. I say, not lightly, that we are blessed to have our own musicians, but we also have many who come and share with their voice or instrument. We don't do it on our own, and we're all grateful for that.

This year there was some extra color in the honoring of my years at Maynard. It was a nice surprise to be so recognized. So, I want to say *thank you* for the warm response to Leo's words of thanks and for the card, and gift, too. I believe we have been mutually blessed.

Bryan

For 30 years, Bryan Babcock has been the man behind the beautiful music sung, performed, played, acted out at Maynard. Thirty years! longer than some of you have been alive...wow!!! Bryan, we all wish you many more music-filled years at Maynard!! THANK YOU seems so little to say for 30 years of devotion, dedication and passion to your music, but thank you, Bryan!!

Bryan's 30th Year Celebration

Barbie Ministry

Crystal, Pastor Patricia, Rose, and Karia delivered the donated Barbie dolls to the YWCA Family Shelter. The donation was almost \$200 worth of Barbies! A special thank you from Crystal to all those who donated. Some of the children got excited seeing new toys come in. You made a homeless child's Christmas a little brighter than it would have been. Next year we will add a "Hot Wheels Ministry." Thanks so much.

Undergraduate Scholarships Available

The West Ohio Conference is offering three types of undergraduate scholarships for the 2012-2013 academic year. **These scholarships are available thanks to a**

combination of apportionment giving and the United Methodist Student Day Offering. Applicants must be an active member of a West Ohio United Methodist congregation and plan to attend an accredited

institution of higher education. For more information contact:

<http://www.westohioumc.org>.

Applications are available now and are due April 1, 2012.

SUBMITTED BY MERV MATTESON

Merv found this in another church newsletter and thought it was relevant and helpful for all of us to read about our part in helping our church grow and stay strong.

"Two closing observations: (1) The Administrative Board, Finance Committee, Trustees, and all Programming Areas have been working hard to keep expenses down. They are to be applauded for their efforts. However, we must be aware of not cutting to the point of eliminating programs and ministries that contribute to the vitality of the church.

"(2) Growing the size of our congregation and increasing regular attendance is a must. You can help through your faithful attendance and faithful giving, and by inviting persons from outside the congregation to come and participate in our worship and program ministries. This is just good discipleship, stewardship, and evangelism."

Church Winter Retreat

SATURDAY, FEBRUARY 11

10:45 A.M. - 3 P.M.

LUNCH PROVIDED!

This year is another turning point in the life of the church. We will be doing some "soul work" as we prepare for the year to come, with all its possibilities and decision. The Leadership Team invites all those interested to join in this event and the conversation! The retreat will gather at 10:45 a.m., then begins a day of questions, discussions, and speakers, ending around 3 p.m. Lunch will be provided. Contact the church office via email or phone and let us know if you are able to attend.

FEBRUARY DONATION FOR NEIGHBORHOOD SERVICES

For February, NSI has requested rice, canned fruit, and soups. All are needed at the NSI pantry for our neighbors in need.

Breakthrough Goals for 2012

This year, all the churches in our conference of the United Methodist Church have been asked to set goals that would be real breakthroughs for us, move us to an even better place of strength and vitality.

Our leadership team set these goals and those attending our annual church meeting (charge conference) in December approved them. So now's the time to live into them!

Weekly Attendance: 90

We are shooting for an average of 90 in worship on Sundays! That means that we all work on showing up and making worship happen! We know the Spirit has been really filling our hearts over the last few months, and your regular presence makes that all the stronger.

New Members—

Professions of Faith: 10; Baptisms: 6

When folks come and join the church who haven't been part of a church—lately or ever—and they profess their own faith and understanding, that is a special day. Ten persons did so this past year, and six came for baptism. It is up to all of us to keep extending a warm invitation and welcome, so that folks know about this place and are drawn to be part of it.

Faith Development Groups: 18

It's one thing to join, it's even more important to find a way to deepen our faith. There are many ways to do that here: choir, Sunday schools, storytellers, LumFlux (young adults), confirmation, and many other small groups and classes. We are working on several new groups this year. We are currently conducting *Money & Spirit*. Some of the other proposed studies are on the books are *Uppity Women of the Bible*, Special studies for Lent, and Martial Arts.

Risk Taking Mission: 60 involved in local, national and international outreach

We are involved in many ways: Homeless ministries, Reconciling Ministry, ProBono Mental Health Counseling, New Life Church breakfasts, Kindergarten Readiness Freedom School, Tutoring, Heifer Project, Neighborhood Services, Inc.. We want to continue and expand the ways in which we reach out. We also want to keep our Fair Tent a meaningful way in which people learn about and experience the radical hospitality of our church.

Extravagant Generosity: \$1,730 weekly income

This is what we need each week to meet our yearly budget costs for all our ministry, and our support for the work of the church around our area and the world. Thank you for your generous giving that makes it happen!

Below is the prayer we have been saying each week during worship—a prayer to help us keep these goals in mind as we ask God to be with us as we strive to achieve them.

A PRAYER FOR 2012

I pray for this, my congregation, that we will let your love flow through us, that we will accept Jesus, our sign of your unconditional grace, the source of our freedom to act boldly in this world.

We pray that we will grow in wisdom and kindness, hope and welcome, that we will know the need of those around us, and give ourselves to it, with abandon and grace.

We pray that your Spirit will move in us this year, to create the beauty and justice we long to see in the world.

We pray that our tribe will increase, and that we will wholeheartedly invite your Spirit in worship, teach the old and the young, reach the lonely and lost, support the church through our giving, and provide ways for all to grow in wholeness.

Bless our leaders, bless your calling on my life, in Jesus' name, we pray. Amen.

McCurdy School Celebrations 100 Years

ed. note: McCurdy School where soup and school labels are sent.

McCurdy School, a United Methodist mission school in Espanola, NM, is celebrating its 100th anniversary in 2012 by inviting Ohio United Methodists to join in an Ohio Celebration of the McCurdy School Centennial, from 11 a.m. to 2 p.m., Saturday, March 17, 2012, at Reynoldsburg United Methodist Church, 1636 Graham Road, Reynoldsburg, OH.

The event will begin with a worship service celebrating McCurdy's history and the difference Ohio United Methodists have made for the school followed by a Northern New Mexico style lunch and fellowship time. Alumni, supporters, VIMers, former faculty, and missionaries, as well as anyone interested in learning about McCurdy is invited to attend.

Tickets will be \$10 per person. For more information email Rev. Diana Loomis, Director of Development and Church Relations for the school at dloomis@mccurdy.org or call her at 505-753-7221, ext. 352. McCurdy School is a ministry of the Women's Division of the General Board of Global Ministries and the school's Advance number is 581479.

Loomis says, "This is a save-the-date notice for our Ohio supporters. It isn't often that a United Methodist mission school gets to celebrate a 100th anniversary, and we are very grateful for the support from Ohio that has helped to keep the school strong. Thousands of Ohioans have come to McCurdy on Volunteer in Missions trips helping us to keep our 44 acre campus and buildings repaired and attractive. In addition, some of our most dedicated faculty, staff and alumni are Ohioans."

The school was founded by Mellie Perkins, a deaconess from the Evangelical United Brethren Church, and at the time was the only school in the Española Valley. Out of McCurdy came the first medical clinic, nursing program, fire department, and eventually the first local hospital which was staffed by missionary doctors from the church. Loomis says, "The school has an outstanding record of making a difference in our community and producing graduates who go on to college and make a leadership difference all over our country and around the world. Our local school district has a 53% dropout rate yet McCurdy has a zero percent dropout rate. Last year we graduated 31 seniors. One went into Job Corp and the remaining thirty entered college this fall and collectively they earned \$417,000 in scholarships.

We hope many Ohioans will join us on March 17 so we can say thank you and together we can celebrate McCurdy's accomplishments."

leave. These host roles are really important to helping the women do what they need to do to end and begin their day. If you can help with either shift, call the church office at 263-5145 or send an email to maynardch@sbcglobal.net.

We are also going to be providing meals this winter. We are still working with the YWCA to determine the best place to offer this. As soon as we have our dates, we'll let you know. We won't even have to build our own kitchen! Let us know if you are interested.

Jesus' talked about how he didn't have a place to lay his head. He seemed to understand how it was to be a vulnerable person, and the powerful gift that a warm welcome, a bit of food, and a place to sleep meant to those without them. It is such a simple gift, but those are always the best aren't they? For all of us.

February 2012

To: West Ohio Clergy
Lay Members of West Ohio Annual Conference
Local Church Lay Leaders

Dear Friends in Christ:

Grace and peace to you in this season after the Epiphany. I pray that you will be filled with the Light that has come into the world, and shine with the radiance of Christ's glory that Christ may be known, praised and obeyed to the ends of the earth.

I greet you with a health challenge to all West Ohio United Methodists beginning this February 12.

As you know, the theme for our 2012 Annual Conference Session at Lakeside is ***Unleashed! Proclaiming the Good News and Healing People Everywhere***. This theme will give expression to one of the areas of missional focus affirmed by the 2008 General conference — improving health globally.

The West Ohio Conference is already engaged in “proclaiming the good news and healing people everywhere” (Luke 9:6 NIV) through our four mission partnerships around the world. Our annual conference worship, teaching sessions, and Love First Miracle Offering will all give further expression to our theme.

I'd like to make this personal. Improving health globally begins with us right here in West Ohio; to impact Global Health we must also be healthy. I have begun a personal exercise and nutrition regimen designed to help me lose some weight and become a more healthy temple for the Lord. My ultimate goal is to get my borderline diabetes and high cholesterol under control. **I am challenging all West Ohio United Methodists to join me**, particularly the lay and clergy members of the conference.

You can do so by joining me in Walking to the Four Corners of the World over the next four months. Each of our four mission partnerships is in a different corner of the world. It is a cumulative total of 27,090 miles from the Conference Center in Worthington to Monterrey (Mexico), Ho Chi Minh City (Vietnam), Samara (Russia), Kamina (Congo) and back to Lakeside. On February 12, 2012 (my 61st birthday), I will begin to log

my miles to the four corners of the world. I will post my progress on the West Ohio Conference website at www.westohioumc.org and on our West Ohio Facebook page at www.facebook.com/westohioumc. I hope hundreds of you will join me in walking and also posting your progress online. Together, we may be able to walk to the four corners of the world multiple times before the last day of this challenge June 12—four months from February 12.

While I walk, I will be praying. I will be praying for Jesus' ministry of healing to become deeply imbedded in my life and the life of each of our congregations. I will be praying for solidarity with God's children around the world—most of whom have no mode of transportation but walking. I will be praying for each of our four partnerships. I will be praying for Holy Spirit breakthroughs of health, vitality and renewal in each of our West Ohio churches. I invite you to fully engage in this **Prayer Walk** for personal and global health.

In addition to the **Walking to the Four Corners of the World** challenge, there will be multiple other opportunities to engage in improving our health during the conference session at

Lakeside. These include:

- A Health Fair, including health screenings, on Tuesday, June 12 conducted by OhioHealth, our United Methodist health care system in central Ohio.
- A 5-K run/walk on Wednesday, June 13 at 7 a.m.
- Teaching sessions on Tuesday, June 12 on the topics of:

- o Parish Health Ministries
- o Building Healthy and Whole Communities
- o Poverty and Health
- o Improving Global Health

For more information on how to participate in the Bishop's Health Challenge and the activities listed above, please consult the Conference website, your district office or Rev. Randy Stearns, Assistant to the Bishop at rstearns@wocumc.org.

I thank God for your faithful and fruitful engagement in Christ's mission of “proclaiming the good news and healing people everywhere.” May your prayerful **Walk to the Four Corners of the World** bind you closer to God and all God's people.

The challenge is on....will you join me?

In Christ's extravagant love,

Bruce R. Ough
Resident Bishop

Recall Notice

SUBMITTED BY **BROOKLYN GEE**

The Maker of all human beings (GOD) is recalling all units manufactured, regardless of make or year, due to a serious defect in the primary and central component of the heart.

This is due to a malfunction in the original prototype units code named Adam and Eve, resulting in the reproduction of the same defect in all subsequent units.

This defect has been identified as "Subsequential Internal Non-morality," more commonly known as S.I.N., as it is primarily expressed.

Some of the symptoms include:

1. Loss of direction
2. Foul vocal emissions
3. Amnesia of origin
4. Lack of peace and joy
5. Selfish or violent behavior
6. Depression or confusion
7. Fearfulness
8. Idolatry
9. Rebellion

The Manufacturer, who is neither liable nor at fault for this defect, is providing factory-authorized repair and service free of charge to correct this defect.

The Repair Technician, **JESUS**, has most generously offered to bear the entire burden of the staggering cost of these repairs. There is no additional fee required.

The number to call for repair in all areas is:
7-7-2-9-3-7 (P-R-A-Y-E-R).

Once connected, please upload your burden of **SIN** through the **REPENTANCE** procedure.

Next, download **ATONEMENT** from the Repair Technician, **Jesus**, into the heart component.

No matter how big or small the **SIN** defect is, **Jesus** will replace it with:

1. Love
2. Joy
3. Peace
4. Patience
5. Kindness
6. Goodness
7. Faithfulness
8. Gentleness
9. Self control

Please see the operating manual, the **B.I.B.L.E. (Best Instructions Before Leaving Earth)** for further details on the use of these fixes.

WARNING: Continuing to operate the human being unit without correction voids any manufacturer warranties, exposing the unit to dangers and problems too numerous to list, and will result in the human unit being permanently impounded. For free emergency service, call on **Jesus**.

DANGER: The human being units not responding to this recall action will have to be scrapped in the furnace. The **SIN** defect will not be permitted to enter Heaven so as to prevent contamination of that facility. Thank you for your attention!

P.S. Please assist where possible by notifying others of this important recall notice, and you may contact the Father any time by **'Knee mail'**!

Thank You

EDITOR

I don't believe there are many suffering the need for a recall at Maynard. Thank you all for the generosity you displayed this Christmas season!

Gifts literally poured in for the Christmas Closet. The children received help choosing and wrapping presents for their family. What fun!!

Pastor Patricia delivered gifts, gift cards, and food to Neighborhood Services, Inc., to help those less fortunate have a joyous Christmas.

Carolers visited our shut-ins, who each year look forward to this contact with Maynard.

Time given by too many to mention for the decorations going up in the church, the voices and musicians in the annual Christmas Choir service, needed items and cash donations received for the homeless.

And let's not forget the Barbie dolls collected! (Next year, Hot Wheels as well!)

Maynard, you never cease to amaze me in your willingness to so freely help others. This church is truly blessed!

There is still a lot of work for us to do here, and I know with everyone pitching in as they always have, we will continue to provide for those less fortunate, reaching out with more care for others than ourselves. Thank you all!!! A very Happy New Year!
